Dear Friends,

Thank you for your continued support through prayer and financial giving! We are excited to share how God is working here in Pryor, MT. As many of you know, we've recently changed our name from *Faith Baptist* to *Temple Baptist Pryor* for legal reasons following the departure of our former pastor. Though the name has changed, our mission remains the same: to reach the people of Pryor with the gospel of Jesus Christ and to disciple them to walk with Him daily.

God has been blessing us in tremendous ways during this season of transition! We've launched discipleship groups for both men and women, and we're excited to welcome at least two ministry teams who will be helping us this summer with VBS-style outreaches. Another large group is scheduled to visit April 30-May 4 to help with major work projects and a special children's event.

In March, another ministry generously provided us with a newer church van, and around the same time, God supplied a newer family vehicle for us through the generosity of donors and our home church. We've also received a new tractor, which is already helping us get essential work done around the property.

Earlier this month, we had the joy of taking a group of 20 to see *King of Kings* when it premiered. It clearly presented the gospel, and we were especially encouraged to have several guests join us who don't regularly attend church or discipleship. We're praying seeds were planted!

We were also blessed by a visit from Dr. Mark Pollard (our home church's associate pastor), along with Todd and Mendy Fuller, and Mark's daughter, Dez. It was a refreshing time of fellowship and vision-casting as we walked the property and made plans to continue reaching Pryor for Christ.

Thank you again for standing with us. Your partnership is helping make a difference in this community!

HOMESCHOOL CO-OP

Our co-op continues to go well! We currently have two students attending three days a week—we recently added an extra day to make up for snow and cold weather closures. I'm so proud of the progress both girls have made this year. It's been a joy to watch them grow and thrive!

EASTER CELEBRATION

We had a great day! More in attendance than normal to hear about Christ's sacrifice for us!
